Mumbai 400 011**

About the Faculty

Mr. Shankar Sapaliga

Mr. Sapaliga is a Mechanical Engineer having 42 years of experience in the field of refrigeration & air conditioning. He has worked with Voltas Ltd for 31 years in its Air Conditioning Business Group's Planning, Projects & Customer Care departments in India and abroad.

He worked on the NBCC Hospital Project, Libya; Textile Mills HVAC projects in South Korea & Nigeria, headed all India operations of Projects and Service in Voltas. He has handled a wide range of equipment- centrifugals, vapour absorption, screws, reciprocating etc.

After retiring from Voltas Ltd in 2007, he joined Sevcon India Pvt. Ltd. as Vice President – Service and is responsible for the company's all-India operations.

Course Content

The 2-day programme provides a unique learning experience for air conditioning technicians. The course includes video sessions which are moderated by the instructor. The programme provides a platform for interactive discussions and sharing good practices.
