

REF: ISHRAE/BLR/2010-2011

Dated :

Sub :- ISHRAE's National Convention - ACRESERVE 2010

Dear Sir,

ISHRAE is conducting a National Convention called ACRESERVE 2010 at **JN Tata Auditorium (IISC) on November 23rd and 24th 2010**. The Programme is **exclusively aimed at development of Operations and Service Personnel in field of HVAC & R**. The **targeted audiences** are **facility/maintenance engineers, operation, maintenance personnel & Service Managers**.

Convention coverage includes:

- (a) Technical **Seminar** on Service aspects
- (b) **Certification Programme** - for development and to enhance the standards in HVAC&R industry.
- (c) Catalogue show by **related industries** from across the country.

Certification Programme is of three levels:-

- Level 1 - for Mechanics & Technicians
- Level 2 - for Supervisors & Service engineers
- Level 3 - for Service and facility Managers.

There will be detailed **presentations on case studies**.

Technical Seminar topics :

- Synergy Between Design & Service
- Testing, Adjusting & Balancing of Air & Water
- Trouble Shooting
- Compressor Failure Analysis
- Service Aspects of Unitary Products
- Operation & Maintenance of Precision Air Conditioners
- VRF - Installation, Commissioning & Maintenance
- Service Approach For Chillers
- Electrics for HVAC&R
- Automation in HVAC&R
- Soft Skills for Service Personnel
- EH&S

The detailed catalogue/brochure of the convention is enclosed for your kind information.

Service personnel will improve their skills by attending this convention and thereby benefit the Corporates with skilled manpower.

“SELFLESS SERVICE WITH A SMILE & BEING EFFECTIVE IS THE ONLY PATH TO GLORY IN HVAC&R.”

So let us all get-together and improve the skills of our service personnel and reap rich dividends.

Please depute your service personnel in large numbers to this convention.

ISHRAE seeks your valued support and co-operation in this regard. We will be in touch with you shortly.

Thanking you

With abundant Love,

S. V. Venkatachalam
